

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. by a media giant and violates federal election law. The insidious smear campaign against this brave Vietnam veteran is vile. Kerry's courageous denunciation of that unjust war actually saved thousands of American and Vietnamese lives. One-sided programs, like "Stolen Honor" harm democracy. If it is aired, be sure to require airing the honest version "Going Upriver" immediately following in Prime Time.
